

**THE WOLDS AND TRENT CIRCUIT
OF THE
METHODIST CHURCH IN LINCOLNSHIRE
LINK**

June-August 2016

I don't know about you, but I can't quite believe we will soon be half-way through the year. Summer is approaching – conjuring up images of strawberries and cream, Wimbledon, visits to the coast, dining al fresco and not forgetting the season of the Proms. Whilst we may not be hosting a promenade concert in the circuit, there is an opportunity to come to Middle Rasen on the evening of 7th August and familiarise ourselves with some of the fabulous new hymns in Singing The Faith. I do hope you'll be able to go along.

For many people, the summer months are particularly enjoyable as the longer days and (hopefully) warmer and brighter weather create extra opportunities to socialise and relax. Summer is also a time when many will choose to take a holiday – whether that's going away or staying a home but taking a break from the normal routines and occupations. Rest and relaxation are, I think, an important part not only of our faith journeys but also of growing and deepening our faith and our relationship with God. Sometimes, it's taking time out, or doing something different, that creates the space for thoughts to develop and expand. So as we enjoy the summer days ahead, let's not forget Jesus' encouragement: "Come with me by yourselves to a quiet space and get some rest" (Mark 6: 31)

Have a blessed and refreshing summer,

Sarah

Caistor

Church Contact: Mrs Bridget Andrew 01652 628586

At Caistor we have very much appreciated Sarah's ministry among us this Lent; she has encouraged us to delve into the meaning of Bible passages in our Lent groups and has led some short but meaningful times of morning prayer during Holy Week. Our shared meal with Communion on Maundy Thursday and, of course, our joyful celebrations on Easter Day (an early service in the garden, shared breakfast and a Communion service) were particularly special.

During May we shall have hosted lunches for Christian Aid during the West Lindsey Open Churches weekend and enjoyed our Spring Fair in the church hall on the morning of 21st May.

The bunting will be out at 16 Southdale on Saturday 16th July for our annual Garden Fete and for Songs of Praise in the garden at 6pm the following day. All are very welcome!

For lovers of classical music, Caistor Methodist Church will be the venue for a concert on Friday 19th August as part of the Lincolnshire Chamber Music Festival.

The Youth Club, for year 3 (7/8 year olds) and above, meets each Wednesday evening in term time (6.00 to 7.15pm in the Wesley Room). We are grateful to Gareth Sherwood and local volunteers for leading this. A lively and enthusiastic bunch of young people enjoy games (with and without modern technology!), crafts and a short discussion time. Several new ones have joined us recently. If you know young people in the Caistor area, do encourage them to come and try it out.

The quieter quarter, perhaps. After Easter and Pentecost celebrations, we settle into the summer months. There is still plenty going on, but no great initiatives coming into play. Plans are being made for the autumn events, including the annual Church Anniversary and Harvest Festival. See below also for an advertisement about the next Jazz concert.

Fellowship groups have been slightly revamped, to include some teenagers in the evening. Café Worship has been relaunched, and we are always pleased to welcome newcomers, as well as the regulars. All Age Worship is in the months where we have a fifth Sunday. It is a joy that Junior Church takes place every week now, because we have a faithful group of children at worship, and willing leaders. The singing group 'Singing from the Heart' continues to carry out its mission to some of the residential homes around Gainsborough.

Support for the Leprosy Mission is underlined by the service on 19th June, when a speaker from that organisation leads our worship, giving us further opportunity to learn about its work. The Food Bank unfortunately still needs our contributions, which have been generously forthcoming.

Practical things have also to be part of our church life. I have said before that the carpet in the church area makes a great difference, and is still quite springy. We have still to purchase a new carpet for the foyer – but maybe we shall get there in the new connexional year.

We rejoice in all aspects of God's work in this church and area, and look to his guidance for the future.

Our God is so big, so strong and so mighty there's nothing our God cannot do!!!

We are enjoying blessings in plenty here in Glenthams. What with the wonder of Easter, the mystery of the resurrection, the joy of live music with Vision worship group and the use of the God Pod for the Heineken effect, the blessings are never ending.

Exciting times!! We have recently welcomed Connie & Mark into membership of the Methodist church and our church in Glenthams.

It is 10 years, this year, since we held our very first Holiday Club at Glenthams so in celebration we are re-visiting Egypt to meet up with Joseph in 'Pyramid Rock'

Looking forward to a beautiful summer and as we are not meeting at Glenthams during August we may see you at your church!!!

When the beauty and the fragility of life stop us in our tracks,
when the cruelty and injustices of life confront us with deep questions,
when our walking and living is energised and purposeful,
when our feet falter and our hearts are hesitant,
when our souls are attuned in hope to singing and dancing,
when our spirits are crushed and we feel alone in our despair,
let us turn to you, ever-present and constant companion.

Whatever this day's journey requires of us,
remind us of earthly companions and colleagues,
mentors and loved ones, seen and unseen, who journey with us,
pilgrims on a shared journey into your depths and fullness, O God,
and accept our profound wonder and thanks. Amen.

Hello to all from Market Rasen. By the time you receive this edition of the Link lets hope we will be basking in the summer sunshine. We have a number of things to look forward to. The folk group Da Capo would like to invite everyone to the Chapel for a free concert on Saturday 2nd July commencing at 7.30 pm. This will include a supper and they have invited the Wragby Handbell Ringers to provide a support act. Any retiring donations received will be passed on to the Chapel. Holiday Club will meet for the week 25 – 29 July and all children between the ages of 4 and 11 will be very welcome. This year the theme will be 'Going Bananas' and will be led by our Circuit youth workers Elaine and Gareth. Hopefully Charlie will be able to help as well along with all the usual volunteers (very grateful to them all). We always look forward to this event as despite all the hard work its great fun and very rewarding. The Chapel Anniversary will be celebrated in early June. Following the service on 5 June a faith lunch will be held with entertainment provided by 'Harmony'. We hope this will be a fun event so please come along after your respective services and join in.

Earlier this year Elaine started a new youth group on Wednesday evenings during school term time. This is aimed at teenagers and its mission is to teach life skills. Elaine is supported by Rosie and Julie in this venture and we wish them every success with it. Mick has kept himself busy arranging concerts by various artists from around the country. On Friday 26 August Ally Haron and Marian Curry will be providing the entertainment and of course everyone is very welcome. Look out for Mick's posters and flyers for more details on this and other concerts.

God bless everyone and enjoy your summer

Please note when you read this, that we have well-attended evening services, but I only write about the morning services that I attend!

Back in February, Jane Lloyd used the phrase "It only takes a small spark to start a fire" and talked about Jeremiah who had this spark. He had the gift of obedience and had a hard road to travel. She pointed out that God loves every one- He knew us before we were born and He does not ask anything of us that we cannot do - just trust in Him.

On February 14th it was St. Valentine's Day and Caistor Worshipful Leaders led the service with Rev Sid and Bridget Andrews. The Rev Anne had put out a display on "What is Love?" Little Annabel (4yrs.old?) who regularly attends services, told us what food she loved best and her favourite dolly! What Love means to a child! Where are our children in Church now? Also, don't go by the looks of a person - today Rev Sid had dressed roughly on purpose- if we met him for the first time, what would we think he was. At other times when he was dressed differently he had been thought to be a policeman or a drug dealer!! Looks don't count!

On February 21st the Rev Anne took the service with a picture of a variety of shoes on the screen and the song "These Boots are Made for Walking" in the background! She explained that we have different shoes for different occasions. In life's spiritual journey, spreading the Gospel, we need suitable "footwear" to last the journey – strong, durable, good fit, "protect the foot", etc.

Peter Cook took the service on February 28th. Jesus taught tolerance. He gave us choices. We belong to different "religions" with different traditions and symbolisms, but we all proclaim the Gospel and must try to understand others better.

Mr Ramm took the service on March 6th and used the story of the Prodigal Son. He said that it is the hardest thing to be a parent! God forgives us our sins and welcomes us back when we have strayed. We have to let go of our children – let them make their own mistakes and learn from them in order to make them a better person.

On March 13th it was our Guild Sunday and Dennis Lockwood took the service "One Heart, One Faith, One Hope". He stressed the word "Hope" – there is a village in Derbyshire called "Hope"! "Hope" is a gift, a fanciful gift – the Syrian refugees have Hope. Hope brings comfort.

We have garden pests e.g. rabbits, slugs, caterpillars and try to get rid of them, but the latter turn in to beautiful butterflies – like the miracles of Jesus – nothing is Hopeless. “Take it to the Lord in Prayer”. By ourselves we can do nothing – we need to work together and together live in Hope.

On March 20th, being Palm Sunday, we had a united service with the Parish Church. Rev Ann and Peter Cook took the service. A donkey led the procession from the Parish Church to the Chapel. March 27th was Easter Sunday, the service was preceded by breakfast in the School Room and the service was led by Rev Ann with Holy Communion. “Christ is risen”.

On April 4th Don Owen talked about “Doubting Thomas”. How he didn’t believe unless he saw the wounds on Jesus’ body (they were all meeting in a locked room – the men did not trust the women and kept them out). Only when Jesus said “Peace be with you” did they believe that it was Him.

It was Holy Communion again with Rev Ann on April 10th and the story of Jesus at the lakeside preparing a meal. He asked Simon-Peter three times if he loved Him and Simon-Peter had previously denied knowing Him three times when Jesus was arrested. Simon-Peter was given responsibility to look after “His sheep” – we have a responsibility to help each other.

Ian Hardcastle with his guitar took the service on April 17th. He talked about Peter “the Rock” – the leader of the community – a busy person. “If you want a job doing, ask a busy person!” Tabitha, a dress maker, was also a busy person. Finally, on April 24th, Malcolm Boot took the service. Ken Dodd was brought to mind with his signature tune “Happiness, the greatest give that we possess”, etc. Happiness means “blessed” – makes us feel good. Money does not bring lasting happiness. Malcolm went on to the Beatitudes and expanding on each one. There is too much to write here, but he gave us a lot to think about.

The Church year has quietened down since Easter. We have a new united service for Pentecost on May 15th and our Church Anniversary is celebrated with a concert – Saturday May 21st with the Resdev Market Rasen Band, followed by one of our famous suppers – all are welcome.

The Guild has now finished for the summer but Women’s Own continues on Wednesday afternoons with a break in July and August. Coffee mornings and Coffee, Cake and Chat continue our fellowship with one another, and also the Luncheon Club. We have welcomed several new members to our Church family recently.

Dear Friends

I am sorry I did not get my act together in time for the last Link, but better late than never.

I want to say a sincere thank you to all who contributed to my retirement do and gifts. It was wonderful to see so many sharing the occasion with me.

One of the reasons for delaying my response was because I wanted to buy a painting with some of the gift and it has taken me a while to find something that caught my eye.

Eventually I found this painting done by a Grimsby artist who we had the pleasure of meeting at Abbeygate art gallery in Grimsby. The model was her daughter and the title was The Muse.

If any of you would like to see it hanging on my study wall you are most welcome to pop in for coffee-the kettle is always on for visitors.

Thank you again for supporting my ministry over the past years and God bless you all as He takes us into the future.

Yours in Christ

The Chapel was buzzing with anticipation as folk waited for soup to be served. This was done quickly by our waitresses. Puddings followed with some guests trying more than one as it was so difficult to decide what to have. Fellowship continued over the cups of tea as Chapel members were able to get their soup and weat. The raffle was drawn and winners quickly collected their prizes. All agreed it was a great lunch and enjoyed by all who came.

Hello again from Upton.

I hope that by the time you read this that the weather will have improved significantly! Yesterday we had experienced everything from sleet, snow and hail, to winds, thunder and lightening, mist and occasional sun. Not bad for the end of April!! Anyway, enough of the weather. Since the last magazine we now have a newly decorated Chapel that looks fabulous. (We've now decided that the schoolroom needs re-doing!)The Chapel was closed for 2 weeks while the work was done and several of us were holidaying. However we are now sorted and had a wonderful Easter weekend that began with our Good Friday Gathering. The Chapel was almost full and most of the hot cross buns and simnel cake were eaten. 17 of us enjoyed fish and chips together at what is now a tradition for Good Friday. Julie transformed the main cross on the wall by draping it in white fabric and producing gorgeous flower arrangements for our Easter Day service. We had a lovely celebration service with Rev. Sheard, united with lea and Marton Churches. We also welcomed friends from the recently closed Sturton Chapel. It was a special time for us all. We celebrated our 194th Chapel Anniversary 2 weeks after Easter and Christine Blackburn led us in a super service, full of enthusiasm and hope. Last Saturday (23rd April) we welcomed members of the Methodist History Society for their Spring Meeting. They enjoyed the refreshments that were prepared for them. They didn't have as many members come as they were expecting but they had an enjoyable time together.

On Wednesday 13th April we started our monthly coffee mornings again, with thanks to those ladies and gentlemen that did all the work. We also thank everyone who supported us on the day. We hope to continue our coffee mornings throughout the summer on the 2nd Wednesday of the month from 10am till 12 noon. Have a ride out and come and visit. You can be sure of a fine welcome. In the last magazine I asked for you to remember us in your prayers and although we still have poorly members our spirits have been lifted during the last few weeks. So thank you for remembering us. We wish you happy times this summer and look forward to reading your news.

Until next time-God bless from all at Upton.xx

TESTIMONY CORNER

Thank you to Janet Faulkner who wrote the last Testimony. Can you guess who this one is written by?

Both my parents were from long-standing Methodist families and so I started going to the then Wesleyan Chapel in North Kelsey as a babe-in-arms ! (My Mum's Grandfather was Mr George Stamp who was so involved with Faldingworth Chapel.) I was baptised as a baby and grew up through Sunday School, playing the organ from age 12 and coming in to membership at age 14 along with a number of others when Rev Michael Burch was our minister at Caistor. This was also the time when I started singing in a choir when Mrs Ada King started the NK Junior Choir - Mrs King was the Jos King who was a butcher in the village and also our Sunday School Superintendent. He was the uncle of Louis and David King at Caistor.

I attended Caistor Grammar School and also became involved with Sea Rangers with one of our teachers, Jo Buckle and Enid Binns, who taught cookery at the Yarborough School. They were very instrumental in helping me focus on my faith and the path ahead of me as I had to decide what to do on leaving school. I had always enjoyed cooking alongside my Mum and she was feeding not just 5 children but a lodger and my uncle who worked alongside Dad in the village every day !

And so it was that I attended the Elizabeth Gaskell College in Manchester and did a 2 year Demonstrator's course in Home Economics. I lived in a Victorian house converted in to a hostel for 12 students in West Didsbury and on the opposite corner - was the Barlow Moor Methodist Church ! One of my fellow students was from Sleaford and also from a Methodist background so we went to the chapel together, I was one of the organists and we also attended the Sun evening House Group Fellowship. Avey and I felt very welcome there as we shared these new relationships but also within the common bond of our love of Jesus and his teaching.

My one and only job was as a Home Service Adviser with the Gas Board in Lincoln but, here again, my life was touched by someone who can only be described as a real angel ! Instead of travelling a 50 mile round trip every day I lodged with Aunt Cath who was the aunt of none other than Derrick Grayson ! Her door was, literally, open day and night to anyone who needed help and shelter and particularly to RAF folk. Derrick and I used to meet up every day for lunch at AC's whose huge vessel of soup was always on simmer !!

After 2 years in Lincoln I was married to Roy who I had met at school. We have two boys and taking them through schooldays and Sunday School involved me with others who were like-minded and on our journey with God. I have now been Circuit Administrator for 13 years after being prompted in to the job by Glenda Taylor and our then Superintendent Minister Rev Liz Smith. This work has enriched my faith in so many ways and I count my blessings and give thanks for the many experiences and people I have met along the way.

The Jubilee Games

The 2016 Jubilee Games will take place on Saturday 25th June at Hemswell Cliff. As many of you will know, these games were the idea of Colin Hare and first took place in 2012 at Newtoft.

Last year, we were very pleased that June Hare was able to present the Colin Hare Memorial shield to the winners of the Tug of War competition which she has donated in Colin's memory.

This year, we will again be running a raffle at the Jubilee Games in order to raise funds. If you would like to support us in this venture, we would be grateful to receive any gifts of prizes, or, if you prefer, a contribution towards Jubilee Games funds.

If you would like to come along on the day, the Jubilee Games commence at 10am and finish at 4pm. You will also have the opportunity to enjoy participating in the Hemswell Cliff Big Lunch which is being held on the same day. There will also be other stalls and activities to keep everyone entertained.

Peter and Jenny Atkinson work closely with the Hemswell Cliff Residents Group and other members of the Glentham congregation will also hope to be supporting both events if they can. Your support is also much appreciated by us all.

Many thanks
