Preachers

- As the law stands we must keep to the agreed safety rules at each church, these vary according to the building, please speak to a steward to check these out
- Misterton are meeting on Wednesdays as the buses run which restricts the need for lifts
- Middle Rasen have some work to be done to open, it is hoped they will open before Christmas but not guaranteed
- We are very grateful to you for leading worship in these strange times and recognise the extra pressure.
- I (Louise) am trying to make the plan as carefully as possible largely keeping preachers in their own or neighbouring communities to restrict the risk of carrying virus from community to community.
